CORE VALUES

20 min In break-out rooms

- What are the core values of HackYourFuture for you?
- Discuss it within your break-out room
- Try to write a HackYourFuture manifesto in +/- 5 rules, using a Github issue in your class repo.

After that, we come back to the main classroom to share your findings

CORE VALUES

Learning:

- HackYourFuture is about solving problems & learning how to learn.
- You are responsible for your own future. We'll help you get there.
- Give feedback to the team and to the coaches. Everyone is learning.
- Communicate.

**> There is room for struggling and not understanding
BUT there is NO room for people who don't do anything.**

CORE VALUES

Community:

- You are now part of the HackYourFuture community. Respect each other.
- Coaches are volunteers. They give their sunday's for you. Respect their time. Value it.
- Succeeding alone is impossible. Help each other.

> 'Do not ask what HackYourFuture can do for you, ask what you can do for HackYourFuture.'

> Work hard, be a team and help each other out. Communicate.
